December Newsletter

Greetings!

The prospect of major tax reform makes it difficult to develop a plan that won't unravel if Congress enacts significant new legislation before the end of the year. Nevertheless, you can make the best of a bad situation: Implement those tax strategies that appear to be safe and sound for now. Which lead's me to this month's **Your Money Saving Tip** article listed below.

As the 4th Quarter deadlines approach, if you would like for us to prepare these forms, please don't hesitate to contact my office at (406) 257 - 6044 to talk about solutions.

In Abundance,

Sue

PS: A big Welcome from Montana! to all the new readers who joined our newsletter since last week. You are going to enjoy the tax saving resources you will find here to help you keep more money!
